Dear Mr. Fletcher:

Enclosed are two copies of the final report of the November 1993 Aerial Radiological Survey of the Neutron Products Company in Dickerson, Maryland and surrounding area. As you may recall, the survey was conducted by EG&G under contract to the Department of Energy in support of the joint Maryland - NRC inspection of Neutron Products, Incorporated, one month earlier. The final report is essentially unchanged from the draft report provided earlier.

If you have any questions about the report, please contact me or Mr. Richard Blanton of my staff at (301) 415-2322.

Sincerely,

/s/
