**To:** Hearing Docket  
**Cc:** vagabum@usa.net  
**Subject:** nuclear waste

So let me see if I understand:

We Americans are afraid of the danger nuclear power and the waste produced and therefore haven't been building nuclear plants but we are considering importing nuclear waste from other countries that are building nuclear power plants.

Who all think they can get re-elected voting against our own nuclear power expansion while voting to import other countries' nuclear waste?

D. Burkett Nelson
