Subject: NUKE WASTE

NO, BUT HELL NO+++++we have had enough coming from overseas. With China trying to kill the youth of America(our future leaders) to killing our pets Oh! also bad medication Need Americans say more, FRIEND or FOE should anymore be said about anything that comes from over seas including PEOPLE.
AMERICANS are sick and tired of all the help that goes to other countries while most of us can hardly afford the prices that food and gas has put on all families.
