Subject:	Please Deny EnergySolutions' Import Application (IW023) submission

Comment : I believe that the import of toxic waste from other countries is horrific. I am excited we have a governor that sees beyond dollar signs and willing to stand up to large cooporations like Energy Solutions. The health of the earth and its inhabitants must start becoming our top priority. Hopefully we will all become a part of the solution. Again, I am thrilled over Governor Huntsmans stand.
