To: Hearing Docket
Subject: Nuclear Waste

Importance: High

Dear Sir or Madam:

I implore you to deny any and all countries permission to send nuclear waste to the United States. I also want international laws enacted and carried out that require all countries to properly and safely dispose of their nuclear wastes within their own borders.

I understand your organization is considering an application by Italy to accept their nuclear waste. Please do not allow this application to be approved.

Joan Mann

DOCKETED
