Subject: EnergySolutions Import License Application IW2023

My view on this issue is that it is not only against the people of this country and the constitution they created for themselves as a treasonous infraction of the same, but it is above all against the Law of the Almighty which says, "who ever pollutes the land shall him shall Elohim destroy".

Sign your approval of this license application to pollute our land and the consequences have been outlined by the Almighty Creator as to what those who sanction it will be.
