To: Hearing Docket
Subject: Radioactive waste from Italy

NRC

Plese be advised that as a citizen of this I am applade at the thought that we would even think of disposing of nuclear wast from another country. We create wast on our own, so why would we want to take other countries waste. This waste will be with us for an eternity and open up market for the future disposel of nuclear waste from all countries. We state of Utah Please vote this down.

This is in reference to Energy Solutions Import License Application 1W023
