To: Hearing Docket
Subject: Import License Application IW023

This is the craziest thing I ever heard, let them dispose of the nuclear waste on their own continent.
Just think of the potential risk of moving it the great distance across the ocean, not to mention land. It would make a great target for terrorist.
Absolutely no way should they be granted this license.

Linda Gay
126 Opossum Hollow Road
Watertown, TN 37184
