Subject: FW: Importation of radioactive waste

Dear Sirs:

This is in reference Energy Solutions Import License Application IW023.

We have enough problems dealing with our own nuclear waste and DO NOT need to accept more waste from around the world. I do not know all of the details of this application nor if this is just a one time shot but in any case, we should not consider ANY application from any country to depose of their nuclear waste.

Thank you

Oliver P. Keadle
