Subject: Imported Nuclear Waste

Dear Sirs:

I am writing in regards to the possibility of the NRC allowing imported nuclear waste into the U.S. and I can honestly say that I am shocked and really disappointed that the NRC would actually even consider allowing someone to import nuclear waste into the U.S.

As a Tennessean I would also like to inform you that anyone trying to bring any nuclear waste into my beautiful home state will be fought with any and all necessary means to insure that does not happen.

Thank you for your time; Michael Bull
