**Subject:** EnergySolutions Import License Application IW023

Congressman Gordon:

I have received and read your current newsletter. I am much distressed about the waste materials from Italy coming into the US and very distressed that some of it could come into Tennessee. I am admadely apposed to any waste import into Tennessee. We have enough of our own waste of our own without taking nuclear waste from a foreign country.

Please vote against this proposal.

*Best regards,
