U. S. Nuclear Regulatory Commission

I want to let you know that I do agree with Congressman Bart Gordon that the State of Tennessee and the United States should not be used as a dumping ground for nuclear waste. Italy and other countries should take care of their own waste disposal. This would be a huge responsibility to undertake and I fear that this could also cause health problems, etc. for us. We do not need this in our country and I hope that you do not allow this to happen.

Thank you,

Jerry M. and Tracy M. Loftis
