Re: EnergySolutions Import License Application IW023

With all due respect, have we completely lost our common sense? Or is it that
The dollar has become the god of those in command?

Well, I am adamantly against the notion that the state of Tennessee become the dumping ground for other
countries. Let us consider our responsibility to our next generation here in the United States of America. Let us
strive towards leaving a legacy that we can be proud of. Let us stop and think of the long term consequences of
what it is that you are proposing.

STOP - THINK - NOW, DO THE RIGHT THING for our country and it's people.

Sincerely,

Julia L. Palos
