Subject: Nuclear Regulatory Commission Public Comment

TO: The Nuclear Regulatory Commission

Please DO NOT let our country or my state be a nuclear dumping ground for the world.

Please DO NOT consider the current application that would allow the importation of 20,000 tons of radioactive waste from Italy.

Please BAN the importation of foreign nuclear waste to our country and my state.

I DO NOT want our country responsible for the monitoring of this waste for many lifetimes to come. I DO NOT want us finding ourselves without a place to dispose of our own waste in lifetimes to come.

PLEASE support the bipartisan legislation that will ban the importation of foreign nuclear waste.
