To Whom It May Concern:

I am writing this email in reference to legislation that my Congressman Bart Gordon introduced to ban the importation of foreign nuclear waste into the United States. I fully support this legislation effort and hope that it is passed.

I am against the Nuclear Regulatory Commission is accepting public comments on a Utah-based company's application to import 20,000 tons of nuclear waste from Italy, process it in Tennessee and dispose the remainder in Utah.

Please protect our beautiful United States of America and stand up for what's right!

Sincerely,
Angela Wells
