Subject: Request to import Nuclear Waste For Disposal

After reviewing the pertinent information regarding the request from Italy to import and dispose of THEIR nuclear waste I can whole heartedly express the opinion that the rest of the world should take care of themselves and quit expecting the Untied States to solve all their problems and deal with the trash and waste. Not No but HELL NO to bringing this crap to my state of Tennessee. If you want to import and incinerate it DO IT ON CAPITOL HILL WASHINGTON DC for a change instead of sending it to us to deal with.
