To: Hearing Docket
Subject: NO WASTE IN TENNESSEE

Attention: Rulemaking and Adjudications
Re: EnergySolutions Import License Application IW023

We do not want 20,000 tons of Italy's radioactive waste to be delivered or incinerated in Tennessee or in any other state of our union. How would that be a solution? A solution for whom? Please hear the people's voice! We need to tend to our own wastes and suggest Italy do the same! Thank you.
Karen and Phil Ragan--Tennessee Voters
