Subject:	nuclear waste in Tennessee

As concerned parents of two young children, and people in Tennessee, I would like to express my opinion to be strongly against any nuclear waste being imported to Tennessee or the United States from any foreign country. I hope you will take each letter written as serious and the opinion of many more people who don't actually take the time to write. We do not want this nuclear waste in our state.

Thank you,
Steven and Tammy Metzgar
Murfreesboro, Tennessee
