This is an email response to a flyer I recieved in the mail concerning bart Gordon's fight to keep foreign nuclear wase out of tenn. In my opinion, foreign waste should stay exactly in the country where it is produced, regardless of whether its redioactive or not! It's an environmental hazzard to bring it here and I'm appaled to live in a state where the idiotic men and women in charge even pathom the idea of making nuclear waste landfills at all!!!!!!
