As a resident of Tennessee, I request that you do NOT allow the importation of radioactive waste from Italy (or anywhere else, for that matter). I don't want it processed in my state or my country. I don't want the trucks that transport radioactive waste on Tennessee's or America's highways. Americans create enough waste on our own. I don't want our country to become the world's dumping ground, especially radioactive waste. Please do what is right for our country.

Sincerely,
Deidre Hornbuckle
