Hearing Docket

Subject: Nuclear Waste

My Dad and I would like to fight and are very much opposed to this ridiculous waste proposal. I agree with Bart Gordon and will back him 100% to stop this from happening. Italy and these other countries should be responsible for there own nuclear waste. I do not ask my neighbor to take my trash out for me and hall it off, this is nonsense, especially for the citizens of the great state of Tennessee and the USA.

With all respect,

David Gambill & Shane Gambill
