To: Hearing Docket  
Subject: Nuclear Regulatory

To Dear Madam or Sir:

In my opinion, the nuclear dumping from Italy should stay there and out of Tennessee. We are already having every other countries dumping on us as it is. Illegal Mexicans, among others. I know the United States is considered The Melting Pot, but how much more can we take? We are having to pay deeply out of our pockets for everything else. Why do we need this too?

Lou Ann Sanders*
