**To:** Hearing Docket  
**Subject:** Nuclear Regulatory Commission

I'm a very concerned American! Are we really going to allow importation of radioactive waste? I live in Tennessee and DO NOT want any nuclear waste here...I DO NOT want it in America. Please do not allow our country to become the dumping ground for other countries waste...let them take care of it in their own country...it is their problem after all. I ask that you not create more problems for our country by allowing nuclear waste to be dumped here..

Thank you  
Carrissa Keeler - A VERY CONCERNED AMERICAN
