I think it is very nice of Utah to offer to take into the USA, the nuclear wastes from Italy. HOWEVER, it is unwise and I am again amazed at what American citizens will do to their own country for the allmighty dollar (though the dollar is not worth very much today.) Please reconsider and think of the LONG TERM consequences of your actions.

If we had a general election in Tennessee today regarding the processing of foreign nuclear wastes; I can assure you that it would not pass.

Please put me down for a resounding NO to shipping in nuclear wastes from Italy or anywhere else. I am certain that we have enough waste of our own to deal with now and in the future. No, Nada, Nyet, zip, zero. Thank you for your time and 'energy' in reading this letter. I am 69 and in good health and of sound mind.
