OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

2313

May 14, 2008

Dear Secretary:

I am opposed to radioactive waste from Italy or any other countries be brought here.

It seems other countries depend on us to take care of their problems. We need to get our problems solved first, then help the other countries.

We need to think of how the ~~new~~ waste will affect future generations.

Energy Solutions License Application
1 W023.
