att: Rulemaking and Adjudications
Dear Sirs: License Application 1W023

In reference to Nuclear Dump-
ing Ground in Tennessee,

Please, take into consideration
to dumping nuclear ground
in Nevada. We have lots of
Desert ground that the government
could use, instead of TN, a
state that has many caves and
underground water that would
be polluted! I hope you
will make a good decision for
TN!

Sincerely,
Ana P. Andrus
