Dear Mr. Kelleher:

I was very pleased to discuss Braidwood tritium issues with you at the May 8, 2008 public meeting sponsored by the Citizens Information Network. At that meeting, you requested copies of the maps that we had available to discuss the extent of the contamination and the status of Exelon's remediation program. Per that request, I am providing copies of those maps for your use.

If there are any questions regarding the maps or the NRC's inspection activities, please contact either me at 630/829-9827 or Mr. Art Kron of our Office of Congressional Affairs at 301/415-8492.

Sincerely,
