

LeeCOLAEISComments Resource

From: Karen S Smith [kshoesmith@charter.net]
Sent: Friday, May 02, 2008 9:47 AM
To: LeeCOLAEIS Resource
Subject: Nuclear

All those in favor of the nuclear plant should have a front row seat. Their houses and water should be right next to the site. Profit and politics.
Nuclear power is wrong. It is not Earth friendly, and we all know it.
