**RE: Submittal of Shirley Basin Annual Groundwater Correction Action Report  
SUA-442, Docket No. 40-6622**

Dear Mr. Ting,

Pursuant to the requirements of Condition 47D of SUA-442, please find enclosed two copies of the Annual Report on the Groundwater Corrective Action Program at Pathfinder Mines Corporation's Shirley Basin mill tailings site.

Please contact me if you should have any questions regarding the attached report.

Sincerely,

Donna L. Wichers  
General Manager
