Subject: re:EnergySolutions Improt. License Appl IW023

To whom it may concern,

I am writing to let you know that I feel strongly that we should not accept nuclear waste from foreign countries and then incinerate it in my state of Tennessee. To transport it to Utah would mean moving it across our country. This is just too dangerous. Let Italy and other foreign countries dispose of their own waste in their country not ours. Thank you for listening to my opinions.

Sharon Stryker
Murfreesboro, Tennessee
