OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

Office of the Secretary  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

Attention: Rulemaking and Adjudications

To Whom It May Concern:

I am writing with reference to Energy Solutions Import License Application IW023. I am in favor of Congressman Bart Gordon's bipartisan legislation to ban the importation of foreign nuclear waste. Let these foreign countries take care of their own nuclear waste. The United States does not need to be a nuclear dumping ground for others.

Respectfully yours,

Dorothy M. Ross
