Dear Sirs,

I am appalled by the fact that you would even consider letting other countries dump their nuclear waste in America. We will have enough of our own nuclear waste to be responsible for as the years go by. We are not the world's keeper. Every country should take care of their own. I have discussed this with other groups of people, who are just as upset with the idea that we would even consider such a thing!!!!!!

We should definitely BAN DUMPING OF OTHER COUNTRIES NUCLEAR WASTE !!!!

Sincerely,

Registered Voter
