NOTE TO EDITORS:

NRC TO HOLD PRESS BRIEFING ON PEACH BOTTOM NUCLEAR PLANT SECURITY REVIEW

Nuclear Regulatory Commission staff will brief reporters at 3 p.m. on Tuesday, Oct. 9, on the preliminary results of an NRC inspection conducted to review security issues at the Peach Bottom nuclear power plant in Delta (York County), Pa. The briefing will take place at the Peach Bottom Inn, at 6085 Delta Road in Delta.

On Sept. 20, the NRC announced that it was sending an Augmented Inspection Team (AIT) to Peach Bottom to look into information that security officers at the facility may have been inattentive while on duty. The inspection was concluded on Sept. 28.

The NRC plans to hold a public meeting at 6:30 p.m. on Oct. 9 regarding the AIT review results. That session will also take place at the Peach Bottom Inn.
