Paul,

Just a heads up. At 1350 yesterday security observed a KYW Channel 3 news Ford Explorer SUV parked out by the boat dock. When approached, the officer observed a person in the SUV taking pictures of the site.

The officer confronted the individual and informed him that he was not allowed to take pictures of the site. The individual asked if he could take pictures of the security officer and was told he could not.

The individual left shortly thereafter.

Let me know if you have any questions.

Mike
