Jim/Dana,

I know the entrance is scheduled for tomorrow and hopefully you have been told that I will be there first thing monday morning. However, I can be at the entrance tomorrow at Peach if need be.

Carey and I leave for Pittsburgh for the weekend and she won't get off work until noonish and Peach is only an hour from my house. (we are somewhat flexible on when we take off for Pitt tomorrow) So, if it helps for me to be at Peach tomorrow for some time I can easily do that to help get the ball rolling.

Give me a call at home tonight if I need to alter my Friday morning plans.

Brice
