Very good questions.

Fred/Marsha - I am going to need some NSIR/DRS Security help to answer these in the short time allotted, and given my other competing deadlines.

Please give me your comments before I share this document with OEDO and NSIR this afternoon.

I plagiarized heavily from the product Tom Setzer put together, and the Q&As NSIR provided, then updated both documents and purged any references to "allegations."

**Fred/Mike/Sandra** - Please give this document with Marsha when you receive it.
