Paul,

I received the following request for a government to government contact from the licensee. My understanding is that the request was received by Exelon Corp. (Ken. Sq.) personnel and was relayed through site EP and Reg. Assurance.

Would you like me to contact this individual? Or since it appears to be related to the AIT, would you prefer for someone in the region to initiate the interaction? (Note: I believe that Harford County was on the list of local representatives that Sandy called yesterday to invite to the AIT Exit last night).
