I have reviewed the NRC's response to POGO and I do not have any comments. It looks thorough and appears to address the issues.

Marsha/Darrell: I just received this letter for which NSIR has a green ticket. They have asked that we review and comment on this prior to 11 am Thursday, Oct 11, 2007.

I will review and interface with Dana on this.

Tony,

Here is the draft response to the POGO letter. Please process through your management and respond back to Paul Peduzzi by 11:00 am on Thursday, Oct. 11th. Please let me know if you need more time but understand our deadline is short.

Thanks,

Dave
