Subject: Re: **** SENSITIVE ALLEGATION MATERIAL ****

The concern was substantiated through interviews with the CI (#2), the supervisor would not confirm it. These were interviews without being sworn in of course (OI had not opened yet). There may be additional substantiation.

Hi, I sent the message below to Jim Trapp, but got an "out of office" reply that I should forward the message to you two in his absence. Can either of you shed some light on this?
□

Thanks,

LLJ
