Re: Estate of Hector Collison

Dear Mr. Thompson:

Please be advised that I am the Personal Representative of the Estate of Dr. Hector Collison who died on March 14, 2008.

Pursuant to our telephone conversation of May 6, 2008, please be advised that I have instructed the staff at Metro Cardiovascular to immediately cease and desist all activities to the use of the nuclear material.

Currently, the office in Silver Spring, Maryland, which is the primary office is closed pending transfer of that practice to another doctor.

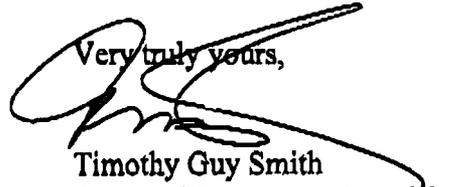

I anticipate that within the next fourteen days I will be able to provide you with a formal letter terminating the license.

142211

We are currently investigating the possibilities of disposal of the remaining nuclear material in accordance with guidelines with the Nuclear Regulatory Commission.

Any questions or comments may be directed to me.

Very truly yours,

Timothy Guy Smith  
Personal Representative of the  
Estate of Hector K. Collison
