Dear Ms. McInerney:

After reviewing your letter of May 15, 1989, the General Counsel has approved your request for the testimony of three NRC employees, John McGrath, John White, and Ronald Nimitz, subject to the following conditions: (1) that you make a good faith attempt to call these employees at a designated time to minimize their absence from their jobs; (2) that they testify only about their own observations and findings at the facility under review and their opinions based upon these observations and findings; and (3) that you serve them with a valid administrative subpoena. You may accomplish service by serving them at their office in King of Prussia, Pennsylvania, either by mail or in person, with a copy to this Office. Thank you for your cooperation in this matter.

Sincerely,

Charles E. Mullins
