Getachew,

Attached please find AREVA NP Inc.'s response to the subject request for additional information (RAI). The attached file, "RAI 1 Response-US EPR DC.pdf" provides technically correct and complete responses to 6 of the 10 questions. Since the response file contains security-related sensitive information that should be withheld from public disclosure in accordance with 10 CFR 2.390, a public version is provided with the security-related sensitive information redacted. This email does not contain any security-related information. The unredacted SUNSI version is provided under separate email.

The attached file, "RAI 1 US EPR FSAR Changes.pdf" provides affected pages of the U.S. EPR Final Safety Analysis Report in redline-strikeout format.

The following table provides the page(s) in the response document, "RAI 1 Response-US EPR DC.pdf" containing the response to each question.

Subject: U.S. EPR Design Certification Application RAI No. 1

Attached please find the subject requests for additional information (RAIs). This RAI was discussed with your staff on April 2, 2008. The schedule we have established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs. For any RAIs that cannot be answered within 30 days, it is expected that a date for receipt of this information will be provided to the staff within the 30 day period so that the staff can assess how this information will impact the published schedule.
