Greetings, NRC folks.

I am Teri Sforza, a reporter for The Orange County Register. I am requesting under the Freedom of Information Act the following:

- job description, minimum qualifications and salary range for nuclear plant inspectors
- total compensation paid to each of the inspectors at the San Onofre Nuclear Generating Station, including benefits and overtime
- total NRC expects to spend on on-site inspector salaries for 08-09 (I do not find this broken out in your budget, but I may be missing it)
- total NRC expects to spend on public information efforts for 08-09 (I also do not find this broken out in your budget)
- salary range for NRC's public information officers

Thanks in advance for your help.
