RENEWAL--LIMITED REVIEW CHECKLIST

(continued)

Major program changes, new high risk technology programs, and changes in control/ownership normally require only a focused review of the specific changes. If these changes are so extensive that a Comprehensive Review of the entire application is needed, obtain Branch Chief approval before proceeding. Each of the following three items must be marked with NA or a check and the change briefly identified.

NA Major program change conforms with applicable regulations and NUREG-1556 guidance.

NA New high risk technology program conforms with regulations for similar technologies, guidance provided for similar technologies in NUREG-1556 guidance, and specific licensing conditions for the new technology.

NA Change in Control (Ownership) conforms with applicable regulations and NUREG-1556 guidance. NOTE: Financial assurance documents can be affected by change of ownership.

_____ A brief overview of the remainder of the application found that the major areas discussed in the guidance on the contents of the application from the appropriate NUREG-1556 series are present.

NA An obvious failure or a deficiency in a significant area resulted in a thorough review of that area. Document below.

X Additional information was requested, and an adequate response was received.

X A Comprehensive Review was conducted, and the reason for changing from a Limited Review to a Comprehensive Review is documented on the "Performance and Limited Review Check List."
