Subject: Stop EnergySolutions' Italian nuclear waste import submission

Insert personal comments here: : Why make Utah the nuclear dump for the world? You wouldn't allow a train to pass through with nuclear waste, so why allow another country to dump their waste here. Utah is a beautiful state, with many beautiful sites and people to be seen. Making Utah an armpit of the United States will cause many scars in our beautiful state. I highly recommend you dont pass this in the house.
