Insert personal comments here: : This community is not a dumping ground for waste. Please, stop fueling the cycle of degradation by standing up with integrity for your self and the world's environment. As a representative of the nation, you owe it to yourself and your fellow citizens to do what is best for both the short-term AND the long-term, which means tightening the reigns on harmful pollutants and refusing to allow their import and "disposal" amongst the United States population. Utah's people will not allow for this kind of disrespect and disregard to continue. Hopefully, you will work in cooperation with us.
