Subject: Please Deny EnergySolutions' Import Application (IW023) submission

Comment : Office of the Secretary:

I am very concerned about nuclear waste being brought into Utah from other states and other nations. I urge the Nuclear Regulatory Commission to deny EnergySolutions request to import 20,000 tons or any Italian nuclear waste into the U.S.

There is great, unreasonable risk to public health through transportation and storage facilities. I strongly urge the Commission to reject the EnergySolutions' application.

Thank you.
