Subject: Please Deny EnergySolutions' Import Application (IW023) submission

Comment : After the incidents with the nuclear testing in Nevada during the 50's, and being directly impacted by that, I am 100% opposed to any dumping or storing of nuclear wastes or anything else we are not 100% sure of. It is hard enough to take care of the wastes that we as a country have, let other countries care for theirs in their own country.
