Importance: High

I agree with Congressman Bart Gordon's bill, H.R. 5632, that the U.S. should not dispose of other countries nuclear waste. If Italy can create it, they need to have a way to get rid of it! If an Utah based company wants to get rid of the nuclear waste, I believe they should send people to Italy to find a way to dispose of the nuclear waste there. WE should have protests against it just like the Italians did!
