**Subject:** RE: Clavert Cliffs Site Audit Tours, Unistar & Contractor Contacts, and Information Needs  
**Attachments:** NRC Site Audit Attendees March 2008 (2).doc

Tom,

Attached is a current list of attendees. We are finalizing the list tomorrow morning in a phone call with our contractors. I will send you a final list as it is available. The correspondence with the Maryland Historical Trust will be made available at the meeting.

John

**To:** Price, John  
**Cc:** Parkhurst, Mary Ann; Laura Quinn; Thomas Fredrichs  
**Subject:** Clavert Cliffs Site Audit Tours, Unistar & Contractor Contacts, and Information Needs

John,

(1) Some of the afternoon site tours scheduled for Mondya, Mar. 17, 2008, are likely to be short. Perhaps they could be done immediately following the general site tour in the morning to save the transit time of going to the hotel for lunch and then returning.

The Met Tower tour will likely be short. The HP field monitoring location tour may be short. We should consider doing those tours right after the general tour. The Cultural/historical and rock outcroppings tours may be extensive enough to do after lunch. We can decide Monday whether those tours are short enough to do before lunch or should wait til after lunch.

The Site Tour list was revised to include a tour of the environmental monitoring stations.

(2) Please provide a list of Unistar and Unistar contractor contacts.

(3) Please make available correspondence and reports sent to the Maryland Historical Trust. The Trust informed us that it does not allow extensive photocopying of its records. Access to the Cultural Resources Investigation done by Unistar should be available.

Thanks,  
Tom Fredrichs
